SIR

Subject —

I have the honour to state that the Municipal Council Dodballapur resolved at their meeting held on 31st January 1936 to grant free of cost a plot of land measuring 80 feet by 250 feet to the Electrical Department for the construction of a New Transformer Hou e" at Dodballapur As the site selected is almost opposite to the Maternity Hospital which is measuring nearing completion on the other side of the road the Senior Surgeon was consulted in the matter and he was at first of opinion that the location of the transformer house on the proposed site would be a source of annoyance to the inmates of the Hospital but subsequently on inspecting the spot personally he has opined that the site is sufficiently at a distance from the Hospital and that he has no objection to its grant for locating the transformer tation as proposed In these circumstances I request you to kindly obtain sanction of Government t the grant of the site free of cost to the Electrical Department as resolved by the Municipal Council

As the Transformers and other materials are expected to arrive very early and as the Chief Electrical Engineer has been urging for handing over the site immediately I have asked the Amildar President to remove the said site at once to the Electrical Department in anticipation of kind sanction of Government

OFFICE OF THE SECOND MEMBER OF COUNCIL
